The Construction Management Association of America Northern California Chapter is pleased to announce its 2020 Project Achievement Awards Program to recognize outstanding achievement in the practice of construction management. This program was created in accordance with our Chapter By-laws and our mission to promote excellence and professionalism in construction management. We look forward to another group of outstanding applications and are excited to give recognition to those projects that demonstrate exceptional achievement in the practice of construction management.

We will award the TOP projects in each category and ANNOUNCE the - PROJECT of the YEAR - at the Awards Gala which will be held on April 16, 2020.

PURPOSE

The program is designed to recognize and promote professionalism and excellence in the management of the construction process. Awards will be given to the projects that best reflect this mission.

CRITERIA

- The competition is open to all CMAA Northern California Chapter members.
- Submission must be made by or for a current CMAA Northern California Chapter member. The award recipient may be a non-member.
- Nominated projects must have been substantially completed between **January 1, 2019 and December 31, 2019.**
- Projects must be within the Northern California regional area.
- Multiple submissions are welcome.

AWARD CATEGORIES AND SIZES

The CMAA Northern California Chapter will recognize performance of outstanding Construction Management or Program Management services for public or private project completed in the Northern California Chapter regional area in the following Market Sector Categories:

- TRANSPORTATION (includes highways, transit, ports, airports)
- PUBLIC WORKS (includes water, wastewater, flood control, parks, utilities)
- BUILDINGS for New Construction
- BUILDINGS for Renovation / Modernization / Retrofit
- PROGRAM MANAGEMENT (for delivery of multi-project CIP)

Constructed Value ranges to determine the winners will be broken down and determined based upon received submissions.

EVALUATION

The criteria for evaluating nominations focuses on outcomes, overall management, safety performance, quality management, cost management, schedule management, complexity, innovation and creativity, and client service/satisfaction.
This is a competitive process. Only the best project in each category and subcategory (cost range) will be selected. Honorable Mention awards may be presented.

Only nominations that follow the format defined in the Project Nomination Form will be evaluated. Project Achievement Awards Committee shall be composed of members (owners and professional construction managers) of the CMAA Northern California Chapter.

SUBMISSION INSTRUCTIONS

Entry this year, like last year will be an electronic format. Each entry nomination project package must follow these guidelines:

- Read the Project Nomination Form carefully. Any additional items not specifically requested in the application will not be considered in the evaluation and scoring. Any missing information will have an adverse effect on your score. Indicate “N/A” if a question is not applicable.

- Write all narrative clearly and concisely. Provide information that best illustrates the merits of the entry with respect to the criteria.

PRESENTATION

The winners will be contacted directly after the Awards Review Committee has made its final decision so that awardees can make arrangements for the project team participants to be present at the awards ceremony. Note that the Project of the Year winner will not be announced until the Gala, but all winners will be notified in advance. Winners from the Northern California Chapter Project Achievement Awards competition are encouraged to submit to the CMAA National Project Achievement Awards Program.

As with last year’s program, the awards will be presented in conjunction with our Annual Gala. One award will be presented for each winning project. Additional awards will be available for purchase. All winners will need to prepare display materials or power point presentation to be submitted to CMAA Northern California Chapter no later than April 1, 2020.

This annual event presents scholarships to local students who have met the chapter standards for excellence in their fields of endeavor, and who have qualified to receive both recognition and a stipend for their continued professional education.

The 2020 Project Achievement Awards & Scholarship Gala will be held on Thursday, April 16, 2020. The location of the event will be at the Westin St. Francis San Francisco on Union Square. We look forward to seeing you all at this rewarding function to celebrate both the achievements of our peers and the success of those individuals who will someday soon be working with us.
